

triads

C Dmin Emin F

root 3rd 5th root flat 3rd 5th root flat 3rd 5th root 3rd 5th

Detailed description: This block shows the first four triads of a sequence in 4/4 time. The first triad is C major (C4, E4, G4). The second is D minor (D4, F4, A4). The third is E minor (E4, G4, B4). The fourth is F major (F4, A4, C5). Each triad is represented by three quarter notes on a staff, with the notes grouped together. Labels above the staff identify the triad, and labels below identify the notes.

5 G Amin Bdim C

root 3rd 5th root flat 3rd 5th root flat 3rd flat 5th root 3rd 5th

Detailed description: This block shows the last four triads of the sequence. The fifth triad is G major (G4, B4, D5). The sixth is A minor (A4, C5, E5). The seventh is B diminished (B4, D5, F5). The eighth is C major (C5, E5, G5). Each triad is represented by three quarter notes on a staff, with the notes grouped together. Labels above the staff identify the triad, and labels below identify the notes. The sequence ends with a double bar line.
